## CLASS HELP NEEDED

More help is needed with teaching and assisting. It's a fun way to share your knowledge with students and help them train their dogs to its full potential. A private training session will be held. We are also in need of assistants to help with the training equipment during classes: this is keeping track of payments, receipts, and fittings of collars, etc. during classes. Vacuuming after Obedience classes is also needed. This takes about 30-45 minutes each day. Hours are flexible. If interested in helping, contact the Director of Training,
